LEGEND

-  Common to Abundant: moderate to high numbers in many locations, and/or relatively conspicuous
-  Uncommon to Fairly Common: low to moderate numbers in a few to moderate number of locations
-  Rare to very uncommon: very small numbers and/or very limited number of locations
-  Casual: not found every year; when present, found singly or in very small numbers
-  Fluctuates yearly as represented

Information presented here was adapted and substantially updated from "Sawyer, Martha, and Matthew Hunter. 1988. Checklist: Douglas County Coast. Oregon Birds 14:93-106," and is based on many years of field observations and reports of many people.
